

## Features

---

**Grade:** Mid-Grade

**Style:** Self Propelled

**Surface Area:** Medium Home

**Terrain:** Hilly

**Width:** 21 Cutting Inches

**Motor:** Battery

- **Brushless Motor Technology**

- Provides power output comparable to a gas engine
- Effortless start-ups; just push the button and go!
- Quiet and maintenance-free

- **2Ah Lithium-Ion Batteries**

- Provides consistent power for up to 45 minutes of run time
- Delivers fade-free power with no memory loss after charging

- **21-Inch, 3-in-1 Steel Mowing Deck**

- Side-discharge, bag, or mulch for a healthier, greener lawn
- Intuitive 7-position, hand-lever operated height-of-cut adjustment (1.37" - 3.75")
- Houses a large 1.6-bushel bagger for fewer trips to the dump pile

- **Easy Storage**

- Compact vertical storage capability
- Allows you to store the mower in tight spaces in your garage or shed

- **Smart & Efficient**

- Load Sensing Technology allows power to adjust
- Meets demands of the cutting blades

- **Ergonomic Overmolded Rubber Handle**

- Easy-to-reach touchpoints, including push-button start
- Maximizes comfort

- **Includes:**

- (2) 2Ah lithium-ion batteries
- (1) Rapid battery charging station
