- 1 - HDMI™ Port with HDCP support
- 1 - Ethernet (RJ-45) Port
- High-Definition Audio Support with Two built-in stereo speakers
- Webcam (640 x 480)
- Lithium-Ion Battery, Up to 9.5 Hours Battery Life
- Windows 11 Home in S mode

### What's in the Box

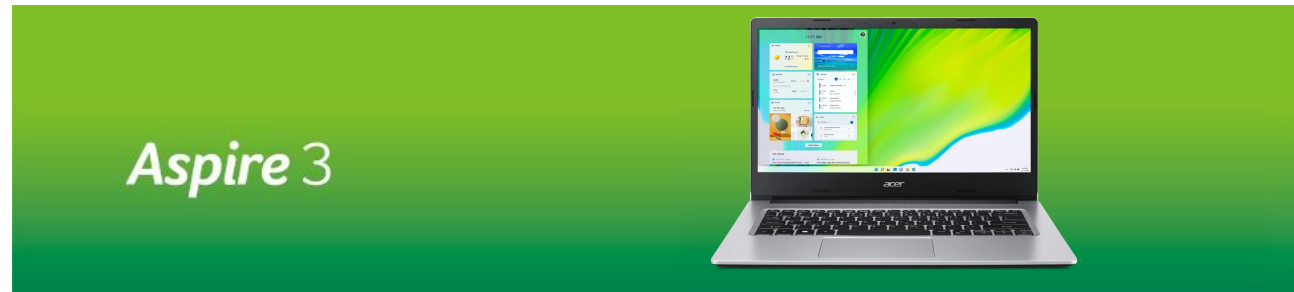

- Laptop
- AC Adapter & Power Cord
- Hard Drive Upgrade Kit

### Key Features

### Web Description

Acer Aspire 3 A314-22-R07G, 14" HD Display, AMD Ryzen 3 3250U Dual-Core Mobile Processor, AMD Radeon Graphics, 8GB DDR4, 128GB NVMe SSD, 802.11ac Wi-Fi 5, Windows 11 Home in S mode

## Launch Your Creativity

Empower your workflow and finish projects quickly with the AMD Ryzen™ 3 3250U Mobile Processor with AMD Radeon™ Graphics and plenty of high-speed storage and memory. With advanced capabilities and a finely tuned design, the Aspire 3 supports a media-heavy lifestyle, making it ideal for anyone creating and sharing on the move. The narrow-bezel 14.0" HD display provides plenty of screen so you can focus on what's in front of you. It's the perfect companion for your on-the-go lifestyle! With Windows 11 Home in S mode, you'll experience fast start-ups, a familiar yet expanded Start menu, and great new ways to get stuff done. And with automatic updates enabled, you get all the latest features and security hassle-free. Work, play and share all in one device!

### Features

#### Purposeful Design

The classy look of the Aspire 3 is matched only by the convenience of its thin, easily portable design. The practical design has been slimmed down to provide users with an easily portable device.

#### The Power of Wireless

Stream, download and browse to your heart's is content! The Wi-Fi 5 802.11ac provides a smooth Internet experience at connection speeds that are up to three times faster than previous generations.

#### Ready-to-Go Performance

The Aspire 3 is ready-to-go with the AMD Ryzen™ 3 3250U Processor with Radeon™ Graphics—ideal for the entire family, with performance and productivity at the core. Perfect to get more out of work, study, or play.

#### The Connectivity

Flexible connectivity options through three USB type-A ports including two USB 3.2 Gen 1 and one USB 2.0. Users can also connect an external display through the HDMI port

#### The Display

Get more monitor real estate for these amazing visuals with the 14.0" HD display with a narrow-bezel design. Keep your eyes free from strain and watch or work for long sessions using Acer BlueLightShield™.

#### Plenty of Storage

With a combination of 8GB DDR4 memory and 128GB NVMe SSD – users have a plenty of storage for all of their media and more.

### Introducing Windows 11 Home in S mode – Streamlined for security & superior performance, and works exclusively with apps from the Microsoft Store.

#### Get a Fresh Perspective

Family, friends, obsessions, music, creations—Windows 11 Home in S mode is the one place for it all. With a fresh new feel and tools that make it easier to be efficient, it has what you need for whatever's next. Less noise, clutter, or chaos. Microsoft reimagined the way a PC should work for you and with you. Windows 11 is redefining productivity.

## Software

### Windows 11 Home in S mode<sup>(7)</sup>

#### Productivity

Acer Care Center

Microsoft® Office Trial<sup>(6)</sup>

(1) Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Precision Boost performance varies depending on hardware, software and overall system configuration.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

(3) 1GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8GB (10GB with Microsoft® Works 8.5 with Office Home and Student 2007 Trial) of the stated hard disk capacity as dedicated backup space.

(4) Battery life varies depending on product specifications, computer settings and applications or features launched.

(5) For a free copy of the standard limited warranty, end users should visit a reseller at which Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503. TFT displays commonly exhibit a small number of discolored dots, so-called "nonconforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect and, as such, is not covered by the limited warranty or by the upgrade programs. For International Travelers Warranty: Valid only in countries in which Acer has an authorized repair facility; for a list of those countries, go to <http://global.acer.com/support/itw.htm> or call 800-816-2237. Services and response times may vary in countries outside the U.S. and Canada.

(6) 30-days of complimentary subscription. Internet connection required to start trial

(7) Windows 11 S works exclusively with apps from the Microsoft Store within Windows. Certain default settings, features, and apps cannot be changed. Some accessories and apps compatible with Windows 11 may not work (including some antivirus and accessibility apps), and performance may vary. If you switch to Windows 11 Home configuration you can't switch back to Windows 11 S. Learn more at [Windows.com/Windows10SFAQ](https://Windows.com/Windows10SFAQ).
