

Beats Solo³ Wireless

First Look

Beats Solo³ Wireless on-ear headphones immerse you in rich, award-winning sound everywhere you want to go. With up to 40 hours of battery life, it's your perfect everyday headphone. The Apple W1 chip delivers one-touch pairing with your Apple devices and unique features like Siri integration. The headphone stays true to its predecessor with bold styling and streamlined design. And since it's durable, foldable, and wireless, Beats Solo³ Wireless is the ultimate portable listening device.

Key messages

Battery life

- With up to 40 hours of battery life, you can stay unplugged longer
- With Fast Fuel, just 5 minutes of charging delivers 3 hours of playback
- The illuminated LED fuel gauge gives you easy access to keep track of your power level, so you always know how much battery life is left

Fine-tuned acoustics

- Fine-tuned acoustics maximize clarity, breadth, and balance for an authentic listening experience, no matter where your day takes you
- Ear cup padding buffers outside noise, bringing you closer to what the artist intended you to hear

Control at your fingertips

- Use the on-ear controls to adjust your listening experience without having to reach for your device

Wireless freedom

- Compatible with Bluetooth-enabled Apple and Android devices
- With the Apple W1 chip, you can seamlessly pair your device to instantly take calls, activate Siri, and listen to music—all with premium Beats sound
- With Class 1 Bluetooth, you get fewer dropouts and extended range from your Apple or Android device

Custom comfort

- Flexible headband and one-of-a-kind curve provide a custom-fit feeling
- Ear cups are preset to a 12-degree angle for a natural fit that's also ergonomically designed for optimal comfort and sound

Made for life on the go

- Durable housing and compact, foldable design, so you can easily travel without adding extra baggage
- Comes with a portable carrying case for easy, on-the-go storage

Essential additions

- Beats RemoteTalk Cable, AppleCare+ for Headphones, Apple Music subscription
