STANHOPE™

Quality Through Generations

COOLING BENEFITS

Clinically tested FRIO® fiber cover:

-  **COOL 5X FASTER!**
-  **TUNNEL HEAT AWAY FROM THE BODY**
-  **PROVIDE A COOLER SLEEP SURFACE**

COVER

Provides a physical barrier that resists:

-  **ALLERGENS**
-  **BED BUGS**
-  **DUST MITES**

WASHABLE COVER

The cooling effects of FRIO® last the lifetime of the pillow and will not diminish through washing.

UNIQUE SOFTCELL® CONSTRUCTION prevents the fill from bunching, ensuring a consistently cushioned sleep surface.

IDENTICALLY DOWN® I.D. FILL Experience the comfort of our exclusive designer down alternative, Identically Down (I.D.).

ADJUSTABLE LOFT
Removable I.D. insert

VENTED COOLING GEL & MEMORY FOAM provides cooling support and pressure relief.

STANHOPE™

Quality Through Generations

The exclusive Ominguard Advance™ fabric with rapid chilling cooling fiber disperse body heat throughout the surface of the protector at a rate of five times faster than that of regular polyester, focusing solely on heat reduction along the sleep surface providing a refreshingly cooler sleep which also provides protection from dust mites, allergens, stains, mold, mildew and moisture. Works on any type of mattress and is adjustable bed friendly
